Hey Natalie. I wanted to check in on how this request was going.

Best,

David

Hey Natalie, hope you're doing well. I'd like to get the records of what the seizure cash was spent on for each year from 2004-2014 by the BCSO. I know it may take some time to assemble these records, so I wanted to get the request in as quickly as possible. A basic list with amounts will suffice.

Best,
