Subject: HR Director Dickens no longer in position?

Hey y'all, I heard over the last few days that HR Director Kelley Dickens was no longer in that role and wanted to follow up to get a bit more information. What's the context on this (who's replacing her, etc) and is there any official announcement coming? Also, if you could forward over any email announcement sent to city workers, along with Dickson's final publicly available personnel file, that would be great.

Best,

David
