---

Esther,

Please keep confidential until this afternoon. Here is the updated order. The staff are working on an associated document that will go into some more details around this. I'll forward it over once I get it later this morning.

At the 4 PM media advisory, I believe I am going to speak first, then you will speak and then we will turn it over to Fletch Tove to explain the policy in detail.

> Commissioners, here is a draft of the Stay Home; Stay Safe extension order. As you know we will share this with the community tomorrow at the 4:00 pm community update.
> We will finalize the interpretation document and circulate that as well.
> Please let us know if you have any questions.
>
> Thanks,
