Dear David:
Individual employee's race is not public record. However, here is the breakdown of the race of the last 200 persons hired by the city as of July 26, 2018.
In the Open Data Portal you can find the salary and position for all City of Asheville employees.
Please let me know if you have other questions.
All best,

At the July 24 Asheville City Council meeting, Assistant City manager Peggy Rowe mentioned that of the last 200 workers hired by the city of Asheville, 13 percent were people of color. This is a records request for a list of those 200 employees, with a breakdown by relevant demographics, their positions and their pay/compensation.
