Subject: Hendersonville, NC Exterior Corridor Hotel - Econo Lodge I-26 Exit 49B

Hi Beth,

The exterior corridor hotel like Econo Lodge (206 Mitchelle Drive, Hendersonville NC, I-26 Exit 49B) can offer " isolated rooms " since there is no sharing of air and can get a fresh exchange of air 24/7. So if any emergency workers, nurses, doctors, hospital workers, road construction workers, emergency government officials, or national guard that **if they need to isolate themselves from their families we have a unique solution.**

Here is what we can help them during the COVID-19 Emergency:

1. Offer 83 Isolated Rooms "EXTERIOR" corridor.
2. Have room keys pre-made and hang on their door locks 5 minutes before arrival time and also place a label with their name on the door.
3. No one will enter their rooms and they will be completely isolated.

4. The flooring is all LVT so we can disinfect everything.
5. We can set up direct billing/debit/credit card at very low prices just to cover expenses $47 (tax included) or $42 (tax exempt) per day flat rate with only 1 person per room.
6. We have closed front lobby so all transactions are via a glass window to eliminate transmission.
7. Once the person checks out we do not enter the room for 24 hours and then disinfect everything so that all viruses are exterminated.

Also, in case a lockdown emergency is declared we can offer the entire 83 room hotel to hospital, national guard, county, or state if they need it for staging.

Whoever is interested please give them the following phone # or email and we will work with them.

Contact: General Manager (Econo Lodge)

Email: gm.nc153@gmail.com
Phone #: 828-329-7562

Regards,
Biren Patel, P.E.
Hendersonville, NC
