Subject:	Please vote to install solar panels
Date:	Monday, July 20, 2020 12:52:38 PM

Hello,

I am writing to ask for your vote to install the solar panels on the county-owned buildings. This would move Buncombe County closer to reaching the 100% renewable energy goal, reduce utility bills over 30 to 40 years and provide good local jobs.

Thank you for your consideration.

Sincerely.

Lea Dutton
