Subject: DV Pilot Program

Hi Rep. Jones:

I hope all is going well. Please see below the updated suggested draft language, with the assistance of Judge Warren, we believe this will be suffice and provides the latitude for the pilot program to be effective and will serve the State's diverse demographic / geography. The judicial district language is similar to a pilot program that was completed back in 2017 dealing with attorney fees.

At some point next week, we're going try and make another visit over to the GA, I'll send you an email / text. And if there's any further information that you, Rep. Boles, or anyone else need, please don't let us know. Again, thank you for all of your assistance. We greatly appreciate it!

Best,
JJH
