Your Question: What is your real vaccination forecast?

With phase 3 starting at Feb 24 and only 8500 of the 40k over 65 year old ones have received Convid vaccines, how will you proceed? More Blah, blah statements referring to the state vaccine distribution quota?

My neighbors went the road let's get infected and get over it!

Shall we go in front of your building and pour gasoline over us to have a human torch, to make a bolt statement as a 2 time cancer survivor to be doomed anyway?

Trumpfies warp speed turning into Bidarris snail speed?

12 months now of best practises, masks and hand washing down to raw skin.

If US can't produce it because they forgot the vials to produce, buy Sputnik!!

Not so happy anymore.
