Subject:
Non covid compliant restaurant
Questions / Comments:
13-main restaurant and bar in Asheville does not enforce mask wearing by customers or staff. We visited and not one person was wearing a mask. We left after 5 minutes when our waiter showed up with no mask. I thought maybe it was on off day, but judging by their google reviews this is common practice and their management discourages mask wearing . This is very dangerous to their customers and needs to be investigated.
