Active COVID at workplace
Questions / Comments:
1636 Hendersonville road, Asheville 28803. COVID cluster of more than 5 people diagnosed between yesterday and today. Store not enforcing mask rules with employees or customers. Employee areas have not been sanitized in months. Many employees exposed to COVID from working in close contact for many shifts with employees that were diagnosed. Employees not being sent home to quarantine and are being threatened with their job even when exhibiting symptoms. Employee families are also getting sick due to spread. Please step in and help. Employees are worried for their lives while also worried about losing their jobs. Large cluster forming. Please help!!!!
