I am going to sound critical, but rather than focusing on raISING TAXES AND hotels we need you to advocate and ramp up vaccinations. The Covid vaccination rate here is abysmal. Since January 14 only on 6500-8500 of waitlist for group 1?? There are 45,000 people on the waitlist just for that group alone. Cmon We need you to focus on getting more vaccines here and get this waitlist moving. This is not okay. We need you to put all attention and pull out all the stops on getting us vaccinated. 2000 per week ? Cmon! More people gather at LEAF on a weekend.
