Today, while at work, I witnessed three police officers obtain a person that appeared to be very sick around 10:00am on Coxe. Avenue These three officers showed kindness and empathy towards this person as he appeared to be on drugs or something of that nature. Sadly, too often police officers do not receive enough credit for a good job. An excellent job by these three men for their professionalism, empathy and kindness. I didn't need to hear their conversation with the civilian but, their actions showed it all. Excellent job!
