Hi my name is Taylor Proffitt. I work for a company in Asheville. My boss is an artist, and he wants to purchase a few parcels of land that DOT own. I have been unsuccessful at getting in touch with DOT or with finding the specific parcels on their website.

The point of this purchase would be to display his sculptures so everyone in Buncombe Co can enjoy. We cannot do this though, if we cannot get in touch to buy these parcels. We think this will be a great addition to the area and be a great use of space to really add to Buncombe Co.

Thanks so much for your time,
Taylor Proffitt
