I am sympathetic to how hard the COVID-19 situation and vaccine rollout must be for the County. However, the distribution of information regarding the COVID-19 vaccine has been amateurish. I mean, truly amateurish. The information has been contradictory (are 65+ eligible for the vaccine now? or no?), confusing (will the new vaccine slots be available?), incomplete, and poorly timed. This is affecting real people. I hope the County tries harder to organize itself in the coming weeks.
