Spherion Asheville not wearing masks!
Questions / Comments:
I was in Spherion Staffing on Sweeten Creek Road and noticed several employees not wearing masks. There was a heavy set blonde girl that had hers off and on the entire time I was there, as well as a tall thin guy in the back. I have been in there before and I think his name is Dave or Dan. I think if we are supposed to wear masks, and they insist on masks when placing us for employment, the least they could do is wear them! This wasn't the first time I have seen this and I felt it warranted a complaint.
