All:

The manager at Clancy has stated they will take more officers to fill their extra duty. Unfortunately they wish to limit it because of how they handle finances and documents. They have to add each officer as a separate vendor, so you will have to get a current W9 to them. First four officers that respond I will send Mrs. Cochrane your names on Monday. Then sometime during the week, you can head over and give her your info.

Please do not sign up if you will not be able to do this duty. They are very specific in what they want: Thurs, Fri, & Sat nights only. Thursdays and Saturdays are two hours each while Fridays are four hour shifts. All shifts are between the hours of 2000 and 0100. There is an activity log the management requires you to turn in before they will issue your check, and they want proactivity.

Thanks and stay safe!
