I will be posting this today at 1330:

Team Chevy on S Jake Alexander is requesting an officer each night through the end of the month. (It might be extended into August & hours might change slightly).
It is every night from 9pm to 4am. Officer will be expected to move around the lot either by foot or car, checking on the buildings and the vehicles to prevent/catch thievery.
At the end of your shift, you must send me an email stating what you did, and if there was anything noted during your shift.

Payment will be similar to the apartment complexes: at the end of each week I will send them the names of those who worked, and they will mail all checks here. I will put them outside my door and notify you they are here.
