Subject: Extra duty checks
Date: Thursday, December 31, 2020 9:24:30 AM

All:

Just to let everyone know, all extra duty that pays by check might be late these next couple of weeks. Many of the personnel who receive the lists of who worked and when are out on holiday vacation. For example, the school personnel will not be back until this coming Monday. So anything I sent in the past 2 weeks will not be processed until Monday.

I just wanted to make sure everyone new so they don't get worried when they don't have checks as fast as they normally do.

Have a happy New Year and be safe!
