All,

From United Management II (the company in charge of Colonial Village), they have stated they really appreciate all the work officers do for them. Because of this, they have decided to change the extra duty with their apartment complex and now pay officers $30 per hour - effective immediately. Officers already signed up will not have to change anything they do and will see this change in their checks that will issue this week. Great job to all who check these apartments during their shifts and during extra duty!

Be safe out there,

Sgt J.L. Moreau
