Subject: Offduty at Isenberg Elementary

Good morning Sgt. Moreau,

I'm signed up to work Isenberg elementary this morning but I woke up with a massive headache and won't be able to cover the assignment. I'm going to attempt to find someone to cover this assignment for me but with such short notice I don't believe I will be successful. I also sent Sgt. Crotty a text message letting him know my circumstances and why I can't make it in to cover the assignment.

Thanks in advance,

Thomas Bautista
