Sgt. Casper,

The below 3 cases are in reference to 110 N Oakhurst. Meredith and Hampton each have a case assigned to them and the third is not assigned yet. Will you assign all three to Martinez? Also have him get with both Meredith and Hampton to compile case files and information about what each have done on the case.

20-002468
21-000056
21-000561

Thanks!

Lieutenant P.J. Smith
