K9 handlers since March 1, 2021:

Thomas Bautista
Damon Burch
James Hampton
Spencer Lakey
Treavor Meadows

Supervisor of the K9 Unit is Lt. Justin Crews. He coordinates their training so I guess he's involved in training in the broad sense of the request. All these are secondary duties for the officers.

Chief,

If you can identify "any police officers whose primary or secondary job duties on March 1 involved training or handling K-9s, including any officer who was in training to handle K-9s" I can work with HR to pull the requested information.

Thank you,
Kelly

CAUTION: *** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe. ***

Hi all,

I'm emailing this afternoon with a public records request.

Because state statute considers certain items in an employee's personnel file to be a public record, I write to request the information listed below for all any police officers whose primary or secondary job duties on March 1 involved training or handling K-9s, including any officer who was in training to handle K-9s.

• Name.
• Age.
• Date of original employment or appointment to the service.
• Current position/ title
• Current salary.
• Date and amount of each increase or decrease in salary with that municipality.
• Date and type of each promotion, demotion, transfer, suspension, separation, or other change in position classification with that municipality.
• Date and general description of the reasons for each promotion with that municipality.
• Date and type of each dismissal, suspension, or demotion for disciplinary reasons taken by the municipality. If the disciplinary action was a dismissal, a copy of the written notice of the final decision of the municipality setting forth the specific acts or omissions that are the basis of the dismissal.

The state statute for that allows the release of this information is linked here:
ncleg.gov/EnactedLegislation/Statutes/PDF/BySection/Chapter_160A/GS_160A-168.pdf

If possible I prefer the above to be delivered electronically, but I am willing to pay any reasonable costs for hard copies of this information if that's the only method of delivery. Please let me know of the charges in advance.
