Subject: Spare vehicles

All:
Spares MUST be signed out and in using the vehicle sign out book in the Sgts' office. No spare vehicles are authorized to be taken home and especially when you are not working. We are in the middle of turning in old Crown Vics, and attempting to make more spares. Unfortunately, we have more being turned in permanently that we have spares. We currently have officers needing spares right now, and not enough for all of them due to abuse of the spare procedures.
If this happens again, I will find the car at the residence where it is sitting and I will bring it back for officers on duty to use. These are city vehicles, not our personal property.
