Lt,

King entered Phase 1 on Sunday, 30 Jan & he is with Shue. He still needs ASP, OC, and Taser training. I have spoken with Hampton to get the ASP training and my supervisor to coordinate the Taser training. I'm hoping for Friday this week since King will be off – if this doesn't work, Tuesday 9 Feb would be the backup day. Hampton said he is flexible and to just let him know. Next week, King and Tysinger will both meet up with the K9 team on Monday to get that training in & signed off. Phase 2, I think the only person I have available on a night shift is Kimball. I already sent him an email as well as Sgt Brown so I can have that scheduled out to avoid schedule conflict

I have gone through some of the basic items in Tysinger's binder already. I have a schedule for the remaining admin sign offs:
-Today @ Real-Time Crime Center, Det Hall, & Lt Smith.
-Tuesday @ Drug unit (but can be swapped with Thursday if issues arise).
-Wed & Thursday @ CID (one day each with violent crimes and with property crimes).
-Friday is tentative Taser and ASP training.

Can you provide me with the training schedule for King and Tysinger? Please include who they will be assigned to as well.

Thank you!
