Can you ask your guys and see if they are having issues with their MDT's.

Thanks

Lieutenants,
There is some laptop replacement money available. I have heard there are a few patrol MDTs that have issues, could you check with your troops and see who needs to have a replacement MDT because of problems with the computer and let me know? I'll need to computer number (ITS) and what the issue might be.

Thanks

Chief J.P. Stokes, MPA
