Good afternoon, this past December we had 11 officers from the Police Department attend and pass General Instructor class. To obtain their General Instructor certificate they each will need to teach 8 hours. To help them with this we have decided to hold 2021 State Mandated Classes in house. This will give each officer the opportunity to obtain their 8 hours of teaching. You will receive an email in the near future with the date and time of your SMT class.

Thanks
