Forgot to add. I'd like to nominate Lt. Crews for Veteran Officer of the Year: Mainly for having to put up with me ☺ That is a major feat in of itself

Lt. Miller,

I want to take this time to nominate Officer Troy Warren for the Young Officer of the Year and Officer Barry Bunch for the Veteran Officer of the Year.

Officer Warren does a tremendous job for Charlie Team and the PD. He completes all assigned tasks promptly without complaining. Officer Warren has a customer service mindset and works toward solving problems for those he encountered during his workday. During Officer Warren's downtime, he continually follows up with his cases, ensuring all victims he comes into contact with are up-to-date with their cases' status and seeks appropriate charges for a successful prosecution.

Officer Bunch is a commodity for Charlie Team and the PD. Years of service before joining SPD have made him a voice of reason, a wealth of knowledge, and a leader at the patrol level. Officer Bunch helps Sgt. Crotty with the day to day operation of the Charlie Team to ensure policies and procedures are followed.

Thank you,
Crotty
