Crotty, why don't you see if you can get someone from the other teams to come in and fill Warren's and Meadows spot for next week. If you do then Gill and Petty can go back to their regular time so Brown will not be short on nights.

Sgt. Brown,

With Officer Johns still on light duty, Officer DeBonis in PLI training, and Officer Warren's military obligations this weekend, I'm going to have both Officers Gill and Petty work 0800-2000hrs tomorrow and Sunday. If you will, please ensure both get off on time tonight, as I forgot to address this with them the last day we worked.

I will continue to have Officers Gill and Petty work this modified schedule next week as Officer Meadows will be in K9 Training on Wednesday, and Officer Bunch will be in Radar Re-Cert Thursday.

Everything should go back to normal on Monday, 01/18/2021.

Thank you,
Crotty
