Subject: CAD Issue
Date: Thursday, November 19, 2020 6:03:18 PM

Greetings,

This evening CAD went down, and at the time of this email, it hasn't come back up functioning. Rowan County IT is working on the issue.

There is at least one arrest report from Officer Warren that wasn't submitted. I have told him if CAD isn't up when he goes home to log in tomorrow and submit it.

Thanks,
Crotty
