Lt. Crews,
Is there anything below that needs to be changed or added? Of does this look good enough?

Capt. Thompson,

Greetings. The purpose of this email is to inform you of Charlie Team's workforce this coming weekend and my hopes to get two additional people to come in and assist.

Officer Peacock will be off the entire weekend. Officer Warren is off Saturday and Sunday for his military obligations. At this point, Officer Johns is still assigned to Lt. Miller for light duty with an unknown return date.

The officers working and the times are as followed:
Meadows 0600-1800hrs (all weekend)
DeBonis 0600-1800hrs (all weekend)
Warren 0600-1800hrs (Friday only)
Bunch 0800-2000hrs (all weekend)
Petty reassigned to 0800-2000 (all weekend)

Thank you for your assistance this weekend.
