You're welcome. And, I am doing well despite the virtual Council meetings. In person is much more enjoyable.
Hope you are well as well.
Not sure if you are aware of the historic accomplishments of the historic Council elected in 1989. Wondering about the potential historic opportunities of this historic Council.
See you soon, virtually if not otherwise.
Have a nice day.

The city charter is very specific in that instance and there was never the possibility of having a special election for his seat. The "controversy" was manufactured by David Forbes.
