Adopted budget book is now available online as a searchable document. www.ashevillenc.gov/budget.

Tony/John: I removed the proposed budget from this page: http://www.ashevillenc.gov/Departments/Finance/Budget.aspx.

Dawa – We have completed the adopted budget document. John is in the process of converting the Word files into a PDF which he will send to you to post on the website by COB Wednesday. The bound copies will be sent out for printing, and they should be ready in about two weeks.
