This is mandatory for all K9 officers and will be an all-day event.

Subject: In House K9 Certification

Hey guys,

This is a heads up from Crews about in house certification. The plan for now is to meet at the police department on November 23rd at 0800hrs. We are going to go through a full NCPDA Certification for every dog. If you are working on the 23rd then please let your supervisor know so they can make sure they have staffing.
