Dear Esther,
Considering your position of power in this community and your public statements about being the victim of my verbal abuse, here's this.
When you are done strengthening the Paris Treaty, could you please direct your attention to the needs of Ava Rendel, 15, North Buncombe High School.
Your time and attention is very much appreciated.
Have a nice day-
Jonathan

I realized this morning that the .pdf print off was only about half of the conversation.Â I also went through and highlighted the worst stuff.
