Subject: Away on a family vacation Re: A clean and inviting and functional city!

Thanks for writing. I'm currently away on a family vacation, and I'll return in early 2015. I apologize if this creates any inconvenience. If your message involves an urgent city matter, please contact the City Manager at gjackson@ashevillenc.gov

Thanks for your understanding and flexibility. I hope your holiday season is one of peace and joy,

Gordon Smith
