I wanted to personally thank all of you! I am so thankful to everyone for taking the time to make this happen. I am extremely proud and overjoyed to tell every property owner that has concerns that we are cracking down on graffiti with a heavy fist. I know you all have spent numerous hours working very hard to make this happen and I am looking forward to continuing to work with each of you to eradicate graffiti in Asheville. Job well done guys!!!!

Thank you!

I would like to thank everyone involved. Maybe these efforts will go along way in slowing this down.

Thanks
