Jonathan,

I've copied Debra here so staff is aware of your recommendation for a drain cover.

A little girl drowns in a hot tub and the Feds go into action, saving lord knows how many children from underwater vortices, meanwhile, guns guns guns. In a hundred years of service, no one has drowned in the Malvern Hills pool, but one person was killed by a tree falling down at the Biltmore Estate. Clearly, the Biltmore Estate must be closed, every tree inspected. Trees not in compliance must be humanely euthanized.

Anyway, here's a VGB compliant drain cover. It's 700 bucks. Free shipping unless we can spring for expedited shipping.
