Thank you for some reason it went to my junk email and it did not let me open the PDF forms.

Daisy-

Please find attached two PDFs: one a petition for road annexation, and the other the supporting documentation/images.

Mr. Barth is aware of this matter; we met with him on April 13, 2023 and raised it with him. He said he would talk to Lora Baker about it and get back to us. We have attempted to follow-up with him numerous times May through late June, but have not been able to get any sort of update or direction as to bringing it before the Town Council. We additionally reached out to Lora Baker, but also have not heard back. We want to put this before the Town Council now (Aug. 17 meeting), to engage with them, so that the details of an acceptable solution can be finalized in a timely manner.

Please confirm receipt, so that I know the two attachments came through.

Thank you very much.

Sincerely,
Sev Bennett
