Jonathan,Â
Please see attached response to your request.Â I have pulled the salary data as of today's date. All city employees received a 2.5% increase on July 1, 2017.

thank you,
Jaime

Essentially, that's two years of information. The City approved a $2.5 million increase so furthermore, I would like to know who received those increases and how much.Â I would like to know if the lower paying employees also received a raise and how much.
