Hi Diana,

Good to hear from you. Thank you for sharing this resource with me. We still have a porta-john and hand washing/sanitizing station at our Main Crisis Ministry on Cumberland and where our Daily Meal occurs off site on Patton Ave.. We are very thankful to the City of Asheville for keeping this resource available to us as we continue to practice Covid protocols to keep our clients and volunteers as safe as possible, in these times.

I've copied Brian Huskey, Community Development Analyst for the City of Asheville. He may know of some locations that could benefit from this resource. Thank you again for reaching out!

Blessings,
Mary

Hi Mary,

How are you?

Help Asheville Bears wants to provide trash receptacles, porta-potties and hand-washing stations at a few strategic locations around Asheville to help our houseless friends and keep humans and bears safe.

My understanding is the city had placed units at your Montford location. Is it still there and is there someone in your organization who could help us figure out where the needs are?

Thank you so much.

Best wishes,
Diana

Thanks, Mary.

I'll stop by today with a few donations and check out Indeed.

Glad you are feeling better!

Hi Diana,

So sorry to hear about your mother's passing. Will be remembering you in my thoughts and prayers.

Would love for you to come back when you can, so just let me know when a good time is for you.

Indeed is a good place to go to see what job openings are available at ABCCM.

Look forward to seeing you soon.

Blessings,
Mary

Hi Mary!

I hope you are nicely recovered from COVID.

My apology for the late response. My mother unexpectedly went into hospice and died 2 weeks ago.

I'll be back in Asheville on January 5th and would like to make up my promised volunteer day.

I also wanted to ask you if there are any employment opportunities with Transformation Village or anywhere else at ABCCM. I have a 4-year degree and I'm a Florida state certified victim service practitioner with many years of social work and nonprofit administrative experience.

I'll be dropping off some clothing and bedding donations when I return in January. Maybe we could talk then, if you're free.

Happy Holidays and thank you for all you do for our community.

Best wishes,
Diana

Hi,

I have not slept yet, feeling unwell out of nowhere.

I'll check in with you for Wednesday but today I'm going to stay home.

So sorry. It's not COVID or anything for any of you to worry about. I just go 'off' sometimes and it's one of those unpredictable times.

Talk soon and thanks for all you do for the community. I'll be back to help again as soon as I can.

I; stay after 5pm today, if you all will still be

Should I come at 2:30 today?

I'll be there tomorrow at 12:30pm as scheduled.

Again, my apology.
