Hi all – just another nudge on this invitation. I've heard from three of you but would like to hear from more. Please let me know if you can join us on October 9, 6:00 pm at Asheville Green Drinks for a candidate discussion.

Thank you!
Julie

Subject: Invitation for candidates to Asheville Green Drinks

Hello mayoral and city council candidates – on behalf of the Asheville Green Drinks steering committee, I would like to **invite you to attend our October 9 Green Drinks for a candidate discussion**. It will not be a debate or a formal forum – instead we would like each of you to say a few opening remarks about your views on/approach to environmental issues and what you think our environmental challenges are in Asheville, then we would open it up to questions from attendees.

The event is Oct 9 from 6:00-7:00 at The Green Sage, downtown. We regularly have around 30 attendees each week, with some sessions having as many as 100. I would anticipate this would be a very well attended session.

For those of you who don't know Asheville Green Drinks, it is one part of an international Green Drinks movement that brings people together on a regular basis to learn about environmental issues. Here in Asheville, it is held weekly, and programming is set by a steering committee made up of groups such as WNCA, Sierra Club, Just Economics, Transition Asheville, and WNC Green Building Council. I invite you to visit our website for more information: www.ashevillegreendrinks.com.

I hope you can join us – please let me know as soon as you can. Thank you.

Julie
