Hello mayoral and city council candidates â€“ on behalf of the Asheville Green Drinks steering committee, I would like to **invite you to attend our October 9 Green Drinks for a candidate discussion**. It will not be a debate or a formal forum â€“ instead we would like each of you to say a few opening remarks about your views on/approach to environmental issues and what you think our environmental challenges are in Asheville, then we would open it up to questions from attendees.

The event is Oct 9 from 6:00-7:00 at The Green Sage, downtown. We regularly have around 30 attendees each week, with some sessions having as many as 100. I would anticipate this would be a very well attended session.

For those of you who donâ€™t know Asheville Green Drinks, it is one part of an international Green Drinks movement that brings people together on a regular basis to learn about environmental issues. Here in Asheville, it is held weekly, and programming is set by a steering committee made up of groups such as WNCA, Sierra Club, Just Economics, Transition Asheville, and WNC Green Building Council. I invite

you to visit our website for more information: www.ashevillegreendrinks.com.

I hope you can join us â€“ please let me know as soon as you can. Thank you.

Julie
