Dear Ms. Campbell,

Please take rapid action to create MORE EMERGENCY SHELTERS for ALL in our community.
This past winter storm as well as the frigid temperatures, continue to reveal that too many of our neighbors are left out in the cold! We also need fast and continued action on creating VERY AFFORDABLE HOUSING for everyone.
Finally, homeless camp sweeps are inhumane and should never happen.
BELOVED ASHEVILLE is a wonderful organization. They have and continue to create multiple steps to address all the above cocerns.

With gratitude and respect,

Daun Murphy
Swannanoa, NC
