This just happened here in Asheville earlier today. This is a text from a good friend of mine that she just sent in a group text.
Yâ€™all need to wake the fuck up and STOP with your posts about kittens and lollipops cause shit is getting real, and you choosing to ignore it and pretend itâ€™s not happening and will go away, ARE CONTRIBUTING TO THIS SHIT RIGHT HERE. **#smartenthefuckup #payattention**

So this happened today guys.
I went downtown to attend a rallie for BLM. In pack square I walked upon an older white woman in an altercation with a young girl and her mom. The girl was about 14 and dark skinned, the mom was wearing a hijab with lighter dark skin. I heard the older white woman tell the girl she needed to be put down and if she fought back she would be raped.
I was pretty far away but I could hear them yelling. The older woman then proceeded to reach out and grab the young girl's vagina. At that point I started running up the hill to hill screaming for her to stop. The women pepper sprayed both mom and daughter, then the mom pepper sprayed back. By the time I reached them the older white woman was on top of the girl biting and clawing at her. I grabbed the woman and fought her off of the young girl. A few older white bystanders stopped to help. They helped by restraining the mom while I wrestled the woman to the ground.
I have never seen anything like this. It was horrible
Afterwards the woman called the police and I helped the mother and daughter get to a safe space where I could pour water on thier eyes and help them see. The little girl was bleeding and could not see! The police took 15 min to arrive. Once they arrived they helped the crazy white lady into an ambulance, she was close by still screaming. Several min later they finally helped the little girl. I filled a police report and will follow up. This woman is out of control and needs to be stopped. Her name is Rachel Ruit

Ruit was videoed screaming the N word at people downtown two weeks ago.

Why did it take APD 15 minutes to arrive today when their KKK clubhouse is literally feet away and they knew protests were happening today? Why did they help a rabid, well-known racist before helping the woman and child she viscously assaulted?

You just made the international news again, Esther. Youâ€™re a disgrace. If itâ€™s the last thing I do, Iâ€™m going to see that you are booted out of office on your corrupt ass.
