Good morning, thank you for your help. Can you add another couple pages on the first detail sheet and send to us to use? I think that will be easier than this one, and it'll all be together.

Michele

Here is another version that can be used for a detail sheet but then the invoice cover sheet will be separate. If you like the other detail sheet and can create more sheets if that helps or the ones I have attached allow for you to keep adding lines as needed. Let me know which you want.

Good afternoon, transportation is working on finishing the January transport bills. They need more lines on the attached new forms you sent, is that something we can do? I don't see that we can since it's a PDF. Can you maybe add another sheet or two to the court transport for us?

Thank you – I will have updated the invoice templates and they are attached. Also, are we any closer to getting names for that hospital detail from Oct-Nov?
