This is an active campsite. Homeward Bound has been made aware and asked to offer available resources.Â

Hi all,
APD CE recently visited this camp at 123 Bartlett.Â My understanding is that it borders the Murray Hill Park.

This is one of the two camps that I brought to City management for assistance in addressing in Feb 2020.Â It is vacant City property, needs to be cleaned, and it is unclear how to proceed with clean up.

Pete - is this now considered an area that Parks would address?

The last time Sanitation inspected, there were hazards including needles and bucket toilets.Â As such, **Frank**, is there a contract in place for an outside vendor to clean up (Bio-One, etc)?

Just wanted to start a conversation again about options for this particular property.

Sgt Fry / Mike - are there active campers still on site?Â If so, please advise when the camp is clear.

Thanks all,
Jes

Jess,
Â Â APD CED visited a camp located behind 123 Bartlett St in the wooded area. Several campsites are located in the area. There is lots of trash buildup and bio hazard throughout the area.Â
Â Â Mike DeSerio with Homeward Bound has been notified. Cleanup of this location will need to be coordinated as a t is city property.Â
Â Iâ€™ve attached a few photos of the camp for reference
