Iâ€™m OK with all of this.Â

Chief,

I received this note from Karen ChÃ¡vez from AC-T.Â She is wanting the following:

1.Â To conduct recurring interviews with you, if possible, every two weeks or so, with any updates on cases and department happenings.
2.Â Sit-down video interview this month as a year wrap-up (with Joel Burgess or Sarah Honosky).

How would you like to address these items?Â Â

FYI - I was able to help Karen this weekend with some followup questions she had with the death at the homeless camp.Â Samantha and I have also been working with Sarah to help facilitate the DA letter (she says they already have) and told her to send an emailÂ with any followup questions she might want addressed.Â I'm also working with her regarding an interview request about Epic Recruiting following Ctiy Council's meeting tonight (working with Capt. Moore on that).Â LInes of communication remaining open and cordial.Â

Thanks, Bill. Monday is fine.

Would you also please check with Chief Zack on when he can do a sit-down interview with us? We talked about doing a regular interview, perhaps every two weeks, where he could update us on cases and department happenings and we could ask some questions.

We were hoping to do a video interview this month as a year-end wrap-up. Depending on schedules, it would either be with Joel Burgess or Sarah Honosky, our city reporter. The chief told us back in September he wanted to wait until he had a new PIO onboard, and now youâ€™re here!

Thanks very much,

Â
