Subject: Policy Workflows Update

Capt.,

Just an FYI on some pending PowerDMS policy approvals.

There are three pending in the Chief's inbox:

1. Policy 512 - Transgender, Gender-Variant, and Non-Binary Persons (new)
2. SOP 3002 - Blue Team Reports (update)
3. SOP 3007 - Hospital Guard Duty (update)

You've probably noticed quite a few going to the Deputy Chiefs. There are now 9 in their inbox for review:

1. Policy 1902 - Community Liaison Program (update)
2. Policy 2302 - Early Intervention System (update)
3. Policy 1102 - Crisis Negotiation Team (update)
4. Policy 1103 - Emergency Response Team (update)
5. Policy 401 - Firearms (update)
6. Policy 901 - Crime Scenes and Evidence (update)
7. Policy 905 - Sexual Assault Response (revision of 3060 - Sexual Offense Investigation)
8. Policy 907 - Seizure of Electronic Evidence (revision of 1101 - Computer Search and Seizure)
9. SOP 3020 - Persons Experiencing Homelessness (revision of Homeless Persons SOP)

No workflow has been voted on as of yet, but I believe Capt. Stepp is working with DC Baumstark on comments left in the Google Docs for the CNT and ERT policy drafts.

Since there are now so many pending reviews, I will hold off on pushing any more policy edits forward to limit the number of workflows. If there's anything I can do to help move these forward please let me know.

Thank you,
