Bill,

Here are the take away notes: . In reference to the encampment that is on DOT property there is a posted sign clearly stating "no trespassing DOT property." Law enforcement wise someone who is in violation of this is subject to being charged with second degree trespassing. At this time we are unable to comment on when this would be happening, however we hope that when this occurs we do not anticipate any compliance issues since typically in the past when we have asked those trespassing to leave the property they comply.

I know you will tweak this and format it to send back to her for a response.

Thank you!

Hi Bill,

Hope you're doing well!

I saw reporting that a growing homeless camp visible from I-240 is being cleared by the end of the week. I wanted to learn more about that -- is there someone I could speak with?

I could also send along some specific questions if that would be easier?

Thanks so much,

Sarah
