Hi Marta,

Hi am volunteering with Ellie Richard and we are hoping that REI will be able to exhibit/table at the Sep. 29th event connected with the ticketed opening event of, "Americans Who Tell the Truth" on Sep. 30. There will be an exhibit at the YMI through mid-November to "engage and inspire youth through art and story". I have attached a postcard about it. A similar exhibit was at the YMI two years ago and was viewed by hundreds of people, the portraits are by Richard Shetterly, www.americanswhotellthetruth.org

On Friday evening, Sep. 29 there will be a free event open to the public, "A Conversation with Bree Newsome, Social Activist" at the AB Tech Ferguson Auditorium, I have attached a postcard about this as well. The evening with Bree, famous for taking down the confederate flag at the SC State Capital two years ago, <http://www.breenewsome.com> and exhibits of local organizations who provide valuable services to our community will provide area students with information to use for the development of their own portraits and stories during the school year. This Friday event provides an opportunity to learn about everyday heroes in our area and Bree Newsome who is an amazing young woman-writer, director, singer, producer, activist, consultant, speaker. Her portrait will be featured in the exhibit at the YMI by Richard Shetterly.

I hope REI will be able to table at the September 29 event described above from 5 until 7:30pm, you are a valuable organization in our community! Please contact me at [828-776-3327](tel:828-776-3327) or via email.

Sincerely, Cheryl
